### Exhibitor Registration Form

A *Grain Legume Technology Marketplace* will be available for private and public organizations, institutions and programs to exhibit technologies, products and services that might benefit stakeholders of grain legume value chains in Africa as well as the research and development community. The Technology Marketplace will be set up over a five-day period (29 Feb. – 4 March 2016) within a tent adjacent to the conference facility. Space for exhibits will be available to exhibitors for rent on a first-come basis. Within each exhibit space (approximately 3 x 3 meters), a table, 2 chairs, power outlets, lighting and signage will be provided.

In addition, one hour “Demonstrations” of technologies, products and services can be scheduled over the five-day period. These demonstrations will be convened in a common area within the Technology Marketplace Tent and announcements of the demonstrations will be included either in the conference program or a supplement.

Interested potential exhibitors are requested to submit a completed Exhibitor Registration Form as soon as possible to IITA-Zambia and make payment in order to reserve your space.
